OBJECTIVE

Enthusiastic and detail-oriented fresher with a strong foundation in software development and problem-solving. Passionate about learning new technologies and applying knowledge to real-world challenges. Eager to collaborate in a dynamic environment and contribute effectively to innovative projects.

EDUCATION

Rajiv Gandhi University of Knowledge Technologies, Basar (IIIT) **2022 – 2026**
Bachelor of Technology in Computer Science Engineering (CGPA: 7.55/10) *Basara,Telangana*

Rajiv Gandhi University of Knowledge Technologies, Basar **2020 – 2022**
Pre-University Course in MPC with IT and Python specialization (CGPA: 7.68/10) *Basara,Telangana*

Secondary School Certificate **2019 – 2020**
GHS Dhangarwadi High School (CGPA: 10/10) *Karimnagar,Telangana*

SKILLS

Programming Languages: Java, Python, C
Web Development: HTML, CSS,React
Databases: MySQL
Tools: VS Code, Git, GitHub
Frameworks/Technologies: Node.js, Express.js
Core Concepts : OOPs,DBMS,SQL,Data Structures

PROJECT

ShareEasy | *React , MongoDB, Express.js, Node.js (MERN Stack)*

∗ Share Easy is a secure file-sharing platform built on the MERN stack. It simplifies data transfer by allowing users to upload documents and images, instantly generating unique shareable URLs and QR codes. The project features a robust Express.js backend for file handling and a modern, responsive React frontend tailored for a seamless user experience across devices.

Specialized Visual Assistant - Yoga Pose Detector | *React , Flask,AI,ML*

∗ Develop an AI-powered Yoga Assistant capable of interpreting both image and text inputs Provide personalized, safe, and factual yoga guidance through multimodal understanding Implement Visual-RAG to ensure all responses are contextually grounded and domain- specific.

INTERNSHIP

Edunet Foundation **April 2025 – May 2025**
MERN Stack Development Intern *Remote*
Learned full-stack web development using the MERN stack (MongoDB, Express.js, React.js, Node.js).
Gained hands-on experience in implementing user authentication, working with JWT, and designing RESTful APIs.
Understood frontend–backend integration, state management, and handling database operations for scalable web applications.
Improved skills in debugging, version control, and writing clean, maintainable code.

Certifications

– **Full Stack Web Development** – Edunet Foundation (AICTE Internship) *Mar 2025*
– **AWS Cloud Practitioner Essentials** – Amazon Web Services *Jan 2024*

Achievements

– Solved 300+ combined coding problemns on platforms like GeeksforGeeks and Leetcode

– **NCC 'A' Certificate Holder** — Indian Army Wing
